

**Jacksonville  
Pagan Pride Alliance  
VIP Sponsor Memberships**

VIP sponsor memberships are available to both individuals and businesses who would like to support their local pagan community. All donations go to fund JPPA events including, but not limited to, the Jacksonville Pagan Pride Day celebration. Memberships are available on a sliding scale, as described below.

Each member will receive a membership card with their own unique member number. This number will be used to identify current membership and plan level at JPPA events. Members will be entitled to additional benefits provided by program sponsors as identified in the current member benefits listing on our website (<http://www.jaxpaganpride.org/>). An example of these benefits is included below.
